LES SUMMER CAMP May 2023

Loyola evening School children had   a specially crafted programme designed for children during their summer holidays as they all come together, work together and have fun while learning lessons and activities. So the Summer camp which held at Loyala Assembly Hall from 1st May to 15th May from 10: am to 12:30pm

The main focus of this summer camp was to enable the students to develop their skills and talents improve their self-confidence, creative mind, collaboration, group work and leadership skills.

The teachers had arranged well planned programme which took place every day. The main activities of the days were painting,story narration,Puppet Making, hanging decorative, flower making,collage work,finger print and thumb print, poster making, Best out of Waste and Card making. In all the activities children showed great interest and enthusiasm. They were very expressive and creative.

Children loved the story telling as it was a great source of entertainment and it helped them to create ideas and improve their imaginations, expressions and also helped to identify emotions and feelings.

Another activity they enjoyed was making different types of flowers using variety of colour papers. They were fully involved in folding, cutting or joining pieces of paper to make their own creative making of flowers. It helped children in boosting their motor coordination and build their sensory cognitive and emotional skills.

Children enjoyed making something attractive out of the Material that is of no use it helped the children to learn the importance of recycling waste material innovatively. It helped the children to make best out of waste ideas and how to save the environment.

The Last and the fifteenth day of camp was very memorable , remarkable, unforgettable and notable day for the children which included solo dance performance and group dance performance . In the end simple delicious and healthy lunch and yummy ice cream was served to the chidren was sponsored.
